Monday 14<sup>th</sup> June 2021

Dear Jesse,

**RE: The Science Experience 2021**

The Rotary Club of West Lakes would like your school to participate in this coming event to encourage year 10 students in Science education.

Please use the website for further information at <https://www.scienceexperience.com.au/when-where#programList>

Our Rotary Club would be happy to sponsor 2 year 10 students to attend the South Australian event at the University of South Australia, Mawson Lakes campus from Tuesday 16<sup>th</sup> to Thursday 18<sup>th</sup> November 2021, if you would like to recommend suitable people.

To give greater contact with our club members and the nominated students a couple of Rotarians from the Youth Committee would be glad to meet with the nominees for a short "getting to know you session" that can be conducted at the school at a suitable time. We would also like to invite the students and a representative from the school/family to attend our meeting to hear back from all the sponsored students after they have been. A feedback meeting in December will be set aside with the partnering clubs at the Bartley Tavern, on Bartley Tec at West Lakes from 6 to about 8:30pm.

Please let us know numbers for COVID-19 needs, particularly if students are likely to bring other people to the dinner.

Can you please contact us with nominees and their applications by Friday, 1<sup>st</sup> October?

Many thanks for your interest.

**Robin Weissel**
