Junior Carnivals 2016/17

Although excellent progress has been made over the past few years in regards to programming and streamlining junior carnivals, it is now time to improve the overall 'experience' for juniors and their supporters. Surf Life Saving SA has worked alongside the Junior Panel to create a brand new exciting format for Junior Carnivals.

Junior Carnival 1 will be held at **Somerton on Sunday November 20th**. Many thanks to host club Somerton.

Registrations

To create more efficient process for marshalling, heat allocation and result recording, we will be phasing in entry through the Event Management System prior to each event (see details below) (<https://carnival.sls.com.au/>).

Entries Close: Wednesday prior to the event at 5pm
Late Entries Close: Friday prior to the event at Noon
Clubs will still be able to register competitors on the day, however a small fee will be incurred.

A reminder that for insurance and safety purposes **all Clubs must provide a Carnival Entry List via the Junior Competition Eligibility Form**. For those who will compete in water events this list must also record that they have successfully completed the competition skills evaluation these must be submitted prior to or at the commencement of every Carnival.

Specific Junior Carnival 1 Entry Information

Please note only U/12s & U/13 competitors will need to be pre-registered for Junior Carnival One, as we understand this will be a big change for some clubs.

An EMS 'How to Guide' is available on the Surf Life Saving SA website (<http://www.surflifesavingsa.com.au/latest-sport-information>)

NOTE: Only members registered for the 2016/17 season will show up on the system

Carnival Fees

As per circular C16013, the carnival fees for a junior carnival are \$10.00 (plus GST) per person per carnival.

LATE FEE: LATE ENTRY (electronic via EMS): close of late entry via EMS is at 12.00 noon on the Friday 18th (as per above). The late fee is set at entry fee plus 100% of entry fee (e.g. entry fee is \$10.00 then late entry will be \$10.00 to total \$20.00)

AFTER EMS LATE ENTRIES CLOSE: This is new and entries may now be submitted after close of EMS. The entry will be accepted via 'hard copy' only if they are able to be fitted in the heat allocation. The fee is set at entry fee plus 200% of entry fee (e.g. entry fee is \$10.00 then late entry will be \$10.00 plus \$20.00 to total \$40.00)

Specific Junior Carnival 1 Entry Information

Late entry fees will only be applied to the U/12 & U/13 entries, as they will be processed on the Event Management System.

Please remember to submit the Junior Summary Forms for U/9, U/10 & U/11 to Lorraine by 5pm Wednesday November 16th.

Carnival Requirements

Rules and Regulations for all events conducted are detailed in the Surf Life Saving Australia Surf Sports Manual 35th Edition and/or R & R Competition Manual. Any alterations are detailed in Surf Life Saving Australia Bulletins available on the Surf Life Saving Australia website.

Although all aspect of the Surf Sports manual will be followed there are circumstances where the Carnival Referee or Carnival Committee will make decisions in the best interests of competitors, officials and any support volunteers to ensure the safe, efficient conduct of the event as well as the wellbeing of all concerned.

Marshalling

The carnival will hopefully run to schedule so please anticipate the area you are in next and be ready to marshal when requested. A 20 minute warning will again be used to start marshalling and close of 5 minutes prior to start. Age Managers and Marshals should present to the Area prepared with competitors, teams and all necessary equipment (including vests and club caps).

Due to the U/12 and U/13 entries being through the Event Management System, Team Managers are encouraged to print and distribute heat allocations to competitors. Heat allocation will be posted on the SLSSA Website by Friday 5pm (www.surflifesavingsa.com.au/latest-sport-information)

Lycra Vests

The use of high-visibility lycra vests (vests) is compulsory for all carnivals and events in South Australia. A national policy has also now been released extending this to ALL surf lifesaving events. SLSA has already circulated a Bulletin (no. 1/2012-13) which states:

To promote competitor safety and assist with identification of competitors and handlers entering the water beyond knee depth, the wearing of a high visibility coloured vest is now compulsory.

Therefore the wearing of these high-visibility vests will be compulsory for all competitors. *SLSSA have endorsed the use of Fluorescent Pink (PMS #16-2130 TN 'Knockout Pink') and Fluorescent Yellow (PMS #13-0630 TN 'Safety Yellow')* Please refer Circular C16019 for more information.

All competitors must **marshal with vest and club caps** on (tied up). Handlers also require a club cap and vest.

Sun Safety Clothing

All Age Managers (and parents) should ensure competitors wear a long sleeve shirt or rash top and broad brimmed hat to marshal and whilst they are not competing. Shade will be available in most Areas and competitors should be encouraged to use this. Access to drinks/water should also be available.

Club Media Personnel

ALL club media personnel must be registered from last season or have submitted a form for approval.

REMINDER: Clubs can only have two media personnel on the beach at one time.

If you require a club media form please email Lorraine (reception@surflifesavingsa.com.au)

Carnival Safety Committee

The **Carnival and Carnival Safety Committee** consists of:

- Carnival Referee
- Safety and Emergency Services Coordinator
- Carnival Deputy Referee
- Water Safety Officer
- Liaison Officer
- Club representative (x2)
- SSSC or SLSSA representative

Water Cover

Please be advised that the Carnival **IRB roster** has been discussed and agreed upon by the SA IRB Panel and the Surf Sports Standing Committee. The roster will be the minimum requirement for the conduct of South Australian carnivals.

Clubs are required to provide a fully equipped (with radio), operational IRB with competent crew (1 x driver and 1 x crew) able to handle the conditions on the day. Crews may be interchanged during the day however this is the responsibility of the club. Please note that host clubs will also be required to have a backup IRB in case of breakdown. IRB crews will be required to report to the Water Safety Officer no later than 8.00 am for allocation to their area. Crews will be required to lay their respective area cans, provide appropriate water cover throughout the entire carnival program and retrieve cans at the conclusion of the day.

A carnival Patrol Log is available for recording hours and is located in the carnival caravan or marshalling tent. This patrol log will be completed on the day and duly signed at the completion of the carnival event activities; all hours will be logged by SLSSA into Surf Guard. The following IRBS's have been allocated for the Semaphore Carnival.

JUNIOR CARNIVAL 1 INFORMATION

As outlined in the Junior Activity Handbook, each Club is to supply qualified (proficient Bronze Medallion or Surf Rescue Certificate) water safety person/s with a SLSA approved rescue tube or board for the duration of the carnival. Clubs' duty of care to their own members should see them equip their person with a Rescue Board on inclement weather days so they are not physically in the water too long.

These people are to sign on at the Marshalling Desk by **NO LATER THAN 9:00 am** – in the Carnival Patrol Log Book. They will then be allocated to a competition area depending on conditions, events and participant numbers. Clubs should ensure their person is adequately protected from the elements (i.e. sunscreen, shirt/rash top, hat where possible, wetsuit & blanket if cold etc) and should have a **person to substitute**, especially when weather conditions warrant such.

Qualified water safety persons are those who are registered members of SLSSA and hold current award proficiency for the Bronze Medallion (50% must hold Bronze Medallion) or the Surf Rescue Certificate.

To adequately meet water safety requirements the following will be implemented for Junior Carnivals.

Number of competitors	Number of water cover personnel club to supply.
5 - 45	1
45 - 90	2
90 +	3

In relation to water cover the roles and responsibilities of Junior Carnival Referee and Area Referees are:

The Junior Carnival Referee (or nominee) shall:

Ensure the host club and all competing clubs have provided their water safety requirement

Allocate water safety personnel to appropriate areas depending on conditions, events and participant numbers.

Authorise sign on/off times in the relevant patrol log books

Forward the duplicate copy of the Carnival Patrol Log Book to SLSSA

Junior Carnival Area Referees are responsible for the duty of care of competitors in their area and as such shall:

Ensure all water safety personnel and IRB allocated are in their area by 9.30 am

Appoint a Team Leader from their allocated water safety personnel. The Area Referee will liaise with this person to ensure the correct number of water safety personnel are in the water for each event

Liaise with the Carnival Patrol Captain to ensure all water safety personnel in their area are signed on and signed off appropriately

In relation to water cover, the Host Clubs shall:

Along with the information above, the host club shall remain the primary provider of water safety personnel for the duration of the carnival.

As such the Junior Carnival host shall:

Supply a total of 10 qualified water safety personnel (a minimum of 50% must be Bronze Medallion awardees) for the duration of the carnival.

Minimum of 5 water safety persons to be equipped with an SLSA approved Rescue Board.

Remaining water safety persons to be equipped with an SLSA approved Rescue Board or Rescue Tube

Water Safety persons will be distributed amongst the competition areas depending on conditions, events and participant numbers.

Fulfil their requirements as per the Carnival IRB Water Safety policy and roster.

Supply a minimum of 6 patrol persons for a Carnival Patrol – separate from a normal patrol (including a nominated Carnival Patrol Captain) to initiate any First Aid management as required.

This includes out-posting first aiders to the Beach Sprint/Flags area if required

Patrol/First Aid equipment is also to be supplied and maintained by the host club.

Use their Club Patrol Log Book to sign on/off only their club patrolling members – the Carnival Referee shall authorise the start and finish times and sign the log book accordingly. Members of clubs other than the host club shall sign on/off of the State Patrol Log Book provided in the Caravan or with the Carnival Referee.

For more information regarding information in this circular please contact Surf Sports & Event Officer Abbey Lindley on 8354 6900 or abbey.lindley@surflifesavingsa.com.au

Good luck to all competitors, Age Group Managers, Officials and support personnel
