

Promoting beach awareness, community spirit and fun within an inclusive surf lifesaving environment.

Inclusive Nippers Group Information Night

The Semaphore Seabirds is an inclusive Nippers group for children with additional needs. This 2020-2021 Surf Life Saving Season will see the inaugural running of this program, as part of the Semaphore SLSC's commitment to developing inclusivity. The Semaphore Seabirds will run alongside the existing Nippers program with modified activities to cater for the various additional needs.

Come along to our Information night to find out more.

Date: September 15th, 2020

Time: 6:30pm

Location: Semaphore SLSC

Our Nippers program strives to promote an environment where all members, particularly the children, are made to feel welcome and at home at our family Club. "Bringing People Together" is our purpose and we hope the establishment of the Seabirds will only further enhance this ethos.
